

Flu Shot Clinic

Northrop Grumman provides flu shots at no charge to all employees. Some sites require pre-registration for a flu shot while others are on a walk-in basis. If registration is required, first create your account on the [online scheduler](#) using the Visitor Access Code **NGC2021Flu**. Download the immunization consent form [here](#).

If you can't attend a flu shot clinic, you may use the [CVS voucher](#) or your Northrop Grumman medical coverage to get a flu shot at no cost. More details on Total Rewards Gateway at totalrewards.northropgrumman.com.
