The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, coverage, you may access your summary plan description at https://totalrewards.northropgrumman.com/download/file_library/146/NGHPSPD_2021.pdf.

For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary/</u> or call (800) 894-1374 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,700/employee or \$3,000/employee + spouse or \$3,000/employee + children or \$3,300/employee + family for In-Network Providers. \$3,200/employee or \$4,800/employee + spouse or \$4,800/employee + children or \$6,400/employee + family for Out-of-Network Providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> for In- <u>Network</u> and <u>Out-of-Network</u> <u>Providers</u> and telemedicine visits with Live Health Online.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$6,000/employee or \$9,000/employee + spouse or \$9,000/employee + children or \$12,000/employee + family for In-Network Providers. \$12,000/employee or \$18,000/employee + spouse or	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

What is not included in the out-of-pocket limit? Will you pay less if you use a network provider?	\$18,000/employee + children or \$24,000/employee + family for Out-of-Network Providers. Services deemed not medically necessary by Medical Management and/or Anthem, Premiums, balance-billing charges, and health care this plan doesn't cover. Yes, Blue Card PPO. See www.anthem.com/ca or call (800) 894-1374 for a list of network providers.	Even though you pay these expenses, they don't count toward the out-of-pocket limit. This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an Out-of-Network Provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an Out-of-Network Provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
