

Fertility and Family Building

Provided by: Northrop Grumman

Your Progyny benefit has been specifically designed to give you the best chance of fulfilling your dreams of family. Whether you just want to learn more about your options, are trying to conceive, or are exploring fertility treatment, we are here for you.

Access **comprehensive coverage** through the **Progyny Smart Cycle**, which covers all the individual services, tests, and treatments you may need. Connect with **top fertility specialists** across the U.S. and lean on your Patient Care Advocate with unlimited **concierge support**.

Your Progyny coverage includes:

- **1 Smart Cycle** per family per lifetime for fertility treatment coverage
- **Progyny Rx** fertility medication coverage
- **Fertility preservation** coverage for egg and sperm freezing
- **Donor tissue** coverage for egg and sperm tissue purchase

Note: The person(s) receiving fertility treatment must be enrolled in an eligible Anthem medical plan through Northrop Grumman to have access to the Progyny benefit. You are subject to financial responsibility according to your plan.
