

How to make an on-site flu shot appointment

- Visit My.QuestForHealth.com
- If you've already created an account, enter your **username** and **password** and select the green **Log In** button
 - *If you've forgotten your login information, use the **username** link to retrieve your username or the **password** link to reset your password*
- If you've never created an account, use the registration key **Northrop2026**
- After logging in or registering, you will be taken to the dashboard

The screenshot shows the Quest Diagnostics website dashboard for a "Sample Participant". The header includes the Quest Diagnostics logo on the left and the text "Hello, Sample Participant" on the right, with links for "My Account", "Contact", and "Logoff". The main content area features a section titled "Why Should You Participate" with a sub-header "Completing a screening gives you the knowledge you need to identify your health risks and transform your health. Schedule your screening today!". To the right of this text is an image of a woman and a child preparing food, with a green button labeled "About Your Program" below it. Below this section is a "Wellness Screening" section with the text "To get started, select an screening method below.". This section contains two columns: "Patient Service Center" with the text "Schedule a screening at a nearby Quest Diagnostics location." and a green button "Schedule a Screening"; and "Onsite Event" with the text "Attend a wellness event at work or a location designated by your organization." and a green button "Make an Appointment".
