

Retirement Planning

Whether you're just getting started or nearing retirement, it's important to save, invest and plan for your future. When you retire your income will shift from an employer-provided paycheck to other retirement income sources.

Understanding your estimated income from your savings and pension plans, Social Security, other personal income and retiree medical expenses can help you envision your potential total retirement income.

Review the overview, planning and at retirement sections below to learn more.

At Retirement

When you're ready to retire, we're here to help at every point of the journey.

When you decide to retire, it's important to review your plan and include all available assets. Knowing where to go for information can save you time. Make sure to:

Contact Information

Call the Northrop Grumman Benefits Center at 800-894-4194 or visit NetBenefits for more information.

Gathering Information Your Personal Income

Begin gathering information from your other sources at least one year prior to your retirement. The sources may be payable differently and it may take time to set up the various payments. Knowing this information early may help prevent unwanted confusion and delays when your retirement date arrives.

Implement Other Resources in Your Final Plan

Once you've identified your other sources, enter your information into the planning summary or call the at 800-894-4194 to:

- Speak with a representative.
- Start a conversation with a planning and guidance counselor who can discuss how your other sources may fit into your overall retirement plan.

In addition, you can schedule a 1:1 session with a retirement planner (add link Teresa) or attend a retirement planning session at a local **Fidelity Investment Center**.
