

## Access Financial Education

---

Take advantage of free financial webinars offered through Fidelity. Topics include saving, investing, turning your savings into retirement income, Social Security and more. Some workshops are customized for Northrop Grumman employees/plans and others are more general. Visit the [News and Events Center](#) for upcoming events.

In addition, you can [register](#) for a complimentary financial one-on-one consultation and a phone-based financial well-being review with a licensed Fidelity representative.
